

AssessioAI for Candidates

AssessioAI is pioneering GenAI talent analytics platform that enhances hiring decisions by reducing bias and mistakes through data-driven insights. Based on validated academic frameworks, AssessioAI assesses key team-performance traits like values, personality, and competencies, improving the interview process by guiding focus on critical collaboration and performance factors. AssessioAI can be used for hiring, onboarding, team development, and succession planning.

Surveys Include

- Leadership Competencies;
- Personality: Based on the Big Five model;
- Values: Schwartz's Theory of Universal Values.

Immediate report

Completing your profile takes just 15-25 minutes, and you can access your Personal Profile immediately. That means, you can also use the insights for your own benefit.

Get insights into your:

Professional Superpowers:

Identify and enhance your key strengths.

Unique Work Style:

Understand how your personality affects your work and interaction with teams.

Motivators and Cultural Preferences:

Learn what drives you and the type of team environment where you will thrive.

At AssessioAI, there are no right or wrong answers—the goal is to uncover the potential synergies within teams, benefiting both hiring managers and candidates by ensuring compatibility and satisfaction.

Your Data, Your Rights
