

# AI-powered toolkit for pioneering executive search firms

## Stand out from competition

Grow your executive search business by  
differentiating your service, automating manual tasks, and speeding up the process.

01

**Wow clients in your next pitch**

Leverage our unique and visually appealing digital toolkit to differentiate your services. Show depth and innovation that leaves a lasting impression.

02

**Become their go-to advisor**

Deepen your client relationships with value-added services and become their indispensable partner for long-term talent strategy.

03

**Accelerate growth with AI automation**

Use AI to automate manual tasks and speed up document creation so you can focus on cultivating relationships and expanding your business reach.

## How it works

Wisnio makes powerful talent data fast and actionable to support business leaders with their most critical people decisions.

Use Wisnio's job analysis tools and predefined scorecards to craft an in-depth job brief quickly.

>

Invite candidates to take a 25 min assessment. If team alignment is vital, invite team members to do the same.

>

Wisnio's AI evaluates the data, producing visual and insightful reports instantly.

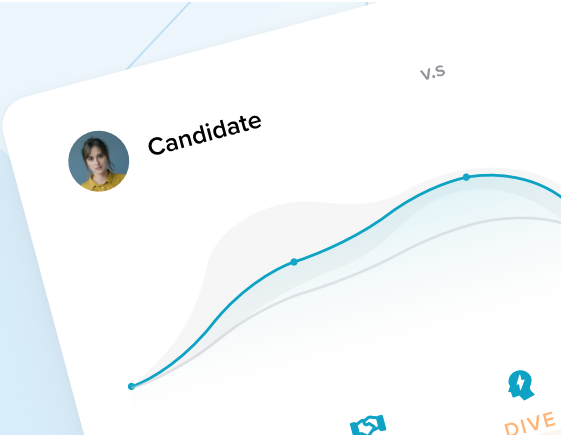

>

AI-powered workflow and documentation tools seamlessly integrate the data into your process.

## See it in action

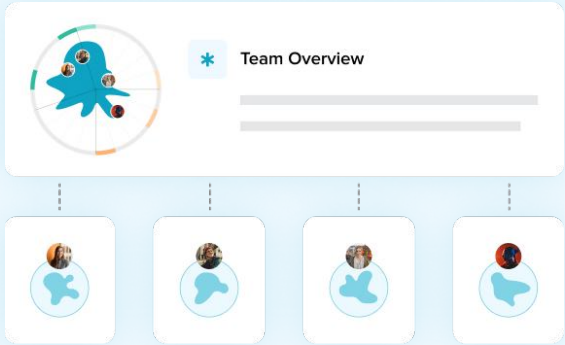

Wisnio makes powerful talent data actionable. Discover how by exploring a sample Candidate Profile.
